Midean Women Prophetic Conference

"The time has come," the Word of the Lord came to me, "for a special breed of women to rise up in these last days to fulfill Psalm 68:11-13": "The Lord speaks. The enemy flees. The women at home cry out the happy news: "The armies that came to destroy us have fled!" Now all the women of Israel are dividing the booty. See them sparkle with jewels of silver and gold, covered all over as wings cover doves!" (TLB).

God is going to pour out a special three-fold anointing upon women.

I invite you—Women, to come for this special one-of-its-kind prophetic conference to hear what God will speak to you. Come to receive the prophetic gifts God has kept in reserve for you.

The mantles of Miriam—prophetic worship, Deborah—warrior princess, and Anna—prophetic intercessor will be released. Mantles for healings and miracles belonging to Maria Woodworth-Etter and Aimee Semple McPherson will also be released for the last days' women.

The time has now come for prophetic women to arise and take their places in their church and take their places in their families. The time has come now for prophetic women to arise and bring forth the revelation of days gone by.

For too long women have sat in the background waiting for permission to prophesy, waiting for permission to take their places and their God-given roles in the body of Christ. The time has now come!

I am extending an invitation to all women—from the north, south, east and west to come for this convention.

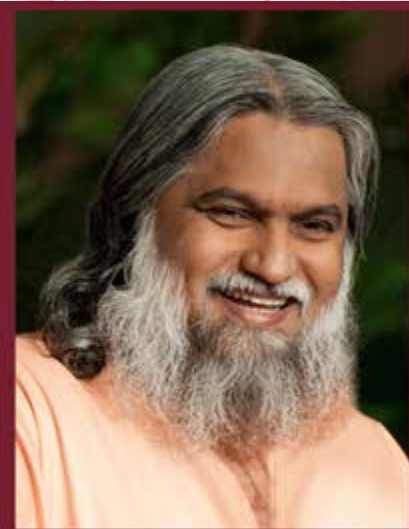

Your Loving Host,

Sadhu Sundar Selvaraj
Jesus Ministries
